IL 102/Water Street Lane Reductions

CHICAGO -The Illinois Department of Transportation (IDOT) announced that roadway resurfacing work along IL 102 (Water Street) will cause a constriction in traffic lanes, beginning, weather permitting, on April 1, 2014.

In order to complete the resurfacing work, lane reduction will occur in both northern and southern directions of IL 102 between IL 53 and Ryan Street. Traffic will be alternated manually in each direction of the remaining open lane.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
